

# BLACK MASTERBATCH

- Product Name : Black Masterbatch
- Pigment Content : 50% Carbon Black
- Properties :
- High concentration of black carbon
  - Good blackness appearance
  - Excellent dispersibility
  - Excellent heat resistance
- Main Usage :
- injection molding
  - blow moulding
  - extrusion
  - raffia
  - film
- Range of application :
- PE
  - PP
  - PS
  - EVA
